Information for Visa applicants

GENERAL

All entries should be made clearly, in BLOCK CAPITALS.

The visa application should include (i) A recent passport size photograph [35 mm x 45 mm] taken against a light coloured background;

(ii) Passport valid for at least six months or for the period of the visa applied for [if it is for more than six months]; and

(iii) Prescribed visa fee in Euros, by a **crossed postal order/bank draft** in favour of Embassy of India, Dublin. **We do not accept credit cards, cheques or cash.**

Holders of passports other than Irish should submit, in addition, proof of residence in Ireland for at least two years.

The Embassy can accept visa applications from non-Irish passport holders not resident in Ireland, but the processing of these visa applications involves lengthier procedures and additional fees.

IMPORTANT: The visa is valid from the date of issue and **not** from the date of entry into India. Applicants may keep this in mind, while specifying the duration of visa required.

Categories of visa

Tourist Visa:

Only those on bona fide tourist visits should apply for tourist visas. A tourist visa should not be applied for, if the visit falls under any of the other categories below.

Business Visa:

The applicant should attach [in addition to the items listed above] a letter from an authorized representative of the employing organization, indicating the nature of the applicant's business in India and [in case of established business contacts] a sponsorship/invitation letter from a partner company in India.

Entry Visa:

An entry visa is issued to a person visiting for professional work, meetings, study tours, or longer stay (other than for education, employment, journalism, commercial business or missionary work). Supporting evidence is required from the sponsoring agency in Ireland and from the inviting organization in India.

Student Visa:

Issued for the duration of the course or for a period of five years, whichever is less, to bona fide students to pursue regular studies at recognized institutions in India. An admission letter from the concerned institution and details of the financial arrangements for stay in India should accompany the application. In case of admission to medical or paramedical courses in India, a Letter of Approval or a "No Objection" Certificate from the Indian Ministry of Health is also required. For admission to undergraduate or post-graduate courses in Engineering or other technical disciplines, a Letter of Approval or a "No Objection" Certificate from the Indian Ministry of Human Resources Development (Department of Education) is required.

Research Visa:

For pursuing a course of research in a recognized educational institution in India. A detailed synopsis of the research project, countersigned by the sponsoring institution in India, should be submitted along with the visa application.

Journalist Visa:

Journalist visas are issued to professional journalists, media support crew and photographers to cover current news stories. **Journalists seeking to make documentary films require separate approvals; please see the website of the Embassy for further details.**

Conference Visa:

Conference visas are issued for the duration of the conference to be attended. A letter of invitation from the conference organizer should be submitted along with the visa application. Where relevant, the consular officer may also require proof of approval of the Indian authorities for holding the conference.
